

### **VILTA - LOMBA PIDATO KELAS 9 dan 10 2024**

*Students will research and deliver a speech on Indonesia and Australia's environmental challenges. The speech should compare and contrast the ecological issues in both countries, discussing their causes, impacts, and potential solutions. The task must include:*

- *Introduction (30 secs): Introduce the topic and briefly overview the importance of environmental issues in today's world. Mention why studying environmental issues in Indonesia and Australia is essential.*
- *Body/Content (approximately 2mnts) Discuss critical environmental challenges in Indonesia (e.g., deforestation, air pollution, plastic waste, recycling, etc.). Explain the causes of these issues, such as industrial activities or agricultural practices. Include the impact of these environmental issues on wildlife and the global environment.*
- *For Environmental Issues in Australia: Highlight more environmental problems in Australia and explore their consequences for ecosystems. Compare the environmental challenges in both countries, focusing on similarities and differences.*
- *Conclusion (30 secs): Summarise the key points discussed in the speech and offer potential solutions or strategies to address these environmental challenges in Indonesia and Australia.*

#### **KRITERIA:**

##### **Isi Pidato:**

- Relevansi topik dengan tema lomba.
- Kedalaman dan kekuatan argumen.
- Kejelasan pesan yang disampaikan.
- Kreativitas dan ide yang menarik.
